Re: Docket No. 97-239-C: Proceeding to Establish Guidelines for an Intrastate  
Universal Service Fund

Dear Gary:

I am writing on behalf of ALLTEL South Carolina, Inc. ("ALLTEL") to request an extension of time in which to file tariffs associated with the Universal Service Fund. The Guidelines and Administrative Procedures for the State Universal Service Fund that were approved by the Commission, in its Order No. 2001-996 in the above docket, provides that an incumbent LEC receiving USF support may file tariff reductions to remove implicit subsidies and request additional USF support on April 1 of each year. ALLTEL respectfully requests that the Commission grant ALLTEL a 30-day extension of time to file tariffs and accompanying cost data. Thus, to the extent ALLTEL wishes to file a tariff and cost data such a filing would be made no later than May 1, 2003.

As you are aware the Commission has not issued an Order approving the filings made last year in this docket. ALLTEL believes the Commission is likely to issue an Order on those filings by May 1, 2003. Should the Commission issue an Order during that time it would perhaps provide additional guidance concerning such filings. Further, granting a 30-day extension should not significantly impair the Commission's ability to implement additional USF funding, to the extent any such additional funding is requested, by October 1, 2003.

Please let me know if you have any questions or need additional information.

Very truly yours,

  
Robert D. Coble
